

### A Message from Harvey...

It is hard to believe that Hatchet Lake Lodge will be celebrating 60 years of operation this coming summer! It is people like yourself that have contributed to the success of Hatchet. For that I personally would like to thank you all. Success can only be attributed to our incredible guests and tremendous staff!

In saying that, we are greatly looking forward to another busy season and hope to see those again that have visited us before and have room for those that would like to come and experience the HLL hospitality and fishing!

I know it is a little early, but I would like to wish you all a Happy Thanksgiving! Feel free to give me a call anytime to catch up.

All the best,

*Harvey Kroll*
