

## Fishing Gear and Tackle

## Northern Pike

**Rods** – 6'6"-7' Medium, MH, Heavy spinning or baitcasting rods. If fly fishing, a 9' – 8 or 10 weight is recommended, for versatility you can rig it with sink tip fly line, tied with a toothy critter leader.

**Reels** – 2500, 3000, or 4000 series spinning reels rigged with 20# PowerPro braided fishing line, tied with a minimum 30# steel or titanium leader. For experienced anglers wanting to fish with a baitcasting setup we recommend 20# PowerPro braided fishing line as well. Additionally, any muskie gear will work great for pike.

### Lures –

Lure	Size	Colour	Picture
Len Thompson spoons	No. 1, 2 and 4	5 o'diamonds, red and white, green frog, orange and black, flame and white, fire tiger	
Mepp's Syclops	No 2, and 3	Fire tiger, chartreuse, rainbow trout, orange/ chartreuse, gold, silver	
Mepp's Spinners	No 3, 4 and 5	Fire tiger, chartreuse, rainbow trout, orange, copper, silver	
Rapala Husky Jerk	4" and 4 3/4"	Live pike, fire tiger, gold, silver, silver blue	
Johnson Silver Minnow – weedless	3/4 oz, 1 1/8 oz	Gold, silver, red and white, 5 o'diamonds	
Large swim baits, paddletail baits	6"-9"	White, gold, chartreuse, yellow, orange, etc.	
Lunker City Sluggo	6"	Pink, yellow, red, etc.	

**Other lures for Northern Pike** – Daredevil spoons, Doctor spoons, bass spinner baits, spinners, top water plugs and frogs, Storm swimbaits, and Savage Gear swimbaits. For fly fishing; any long, bright and dark streamers.

## Lake Trout

**Rods** – 6'6"-7' Medium, MH, Heavy spinning or baitcasting rods

**Reels** – 2500, 3000, or 4000 spinning series reels rigged with 20# PowerPro braided fishing line, steel leaders are not necessary for lake trout. Forgoing the steel leader, anglers will either tie direct or tie a heavy-duty snap swivel for faster lure changes. For experienced anglers wanting to fish with a baitcasting setup we recommend 20# PowerPro braided fishing line as well.

**Lures –**

Lure	Size	Colour	Picture
Yakima Flat Fish (early season trolling)	T-60	Metallic blue silver, silver, luminous, chartreuse red and black dots	
Lucky Strike Half Waves (early season trolling)	4.5"	Gold, nickel	
Buzz Bomb (late season jigging)	4" and 6"	Blue holo, green glo, green holo, perch glo, UV green, yellow	
Northlands Bionic Buck Tail Jig	1 oz	Cisco, sunrise, glow rainbow, yellow perch	
Tube Jigs	1-2 oz	Chartreuse, white, glow, orange, etc.	

**Other lures for Lake Trout** – similar spoons and spinners for Northern Pike, diving Rapala crank baits for early season trolling, heavy jigging spoons and spinners for late season.

## Walleye

**Rods** – 6'-7' medium strength rods with moderate to fast action spinning and casting rods.

**Reels** – 2500 and 3000 series spinning reels rigged with 10 pound monofilament or braided fishing line, steel leaders are not necessary for walleye. Forgoing the steel leader, anglers will either tie direct or tie a snap swivel for faster lure changes.

### Lures –

Lures	Size	Colour	Picture

Lures	Size	Colour	Picture
Mepp's Aglia Spinner	#00, 0, 1, and 2	Firetiger, silver, gold, chartreuse, rainbow trout	 A photograph of a Mepp's Aglia Spinner lure. It consists of a small, oval-shaped Mylar spinner blade with a red and yellow flame pattern, attached to a silver wire. A small wooden bead is positioned between the blade and a black and silver Mylar skirt. A treble hook is attached to the bottom of the blade.
Panther Martin	#0, 1, and 2	Gold, copper, silver	 A photograph of a Panther Martin lure. It features a large, oval-shaped gold-colored Mylar blade with a black and silver flame pattern. A small wooden bead is attached to the top of the blade. A black and silver Mylar skirt is attached to the bottom of the blade, and a treble hook is attached to the bottom of the blade.

**Other lures for Arctic Grayling** – For fly fishing use black gnats, small hoppers, humpies, and nymphs.
